Strategic Thinking & the New Science The future is happening today, and the most successful organizations will be those that understand the dynamics of the "big picture" in which their decisions are being made. This book describes how to understand and influence that picture. Irene Sanders pioneered the application of chaos theory and complexity to strategic thinking -- the most essential skill in today's fast-paced business environment. Now, in this straightforward, easy-to-read book, she shows how the most up-to-date strategic thinking is done, and how you can begin using it in your enterprise. Sanders' original and practical approach moves far beyond traditional forecasting, futuring and scen...
