Moleskine Pocket Size Soft 18 Months 2014 Weekly Notebook Moleskine

Surely a design classic, the Moleskine notebook was originally made by a small bookbinding company in Paris. For a hundred years discerning artists, journalists, authors and travellers were able to buy these wonderful notebooks in Parisian stationers. Picasso, Van Gogh, Hemingway and Chatwin were all fans of this anonymous little black notebook. In 1986 the manufacturer of these notebooks, then based in Tours, closed down and they were no longer available until a Milanese publisher began to produce them again in 1990. Since then the range has expanded hugely but the basic concept and quality remain exactly the same. We have stocked Moleskine since 1990.
